MILES AHEAD (2015, USA, drama, 100 min.), by Don Cheadle.

The film shows Davis' attempts to get his career back on track following a period of inactivity and drug addiction in the 1970s. Skipping through time we see his adventures and his troubled marriage. The score features recordings from throughout his career.

FRIDAY, JUNE 9

MISS SHARON JONES (2015, USA, doc., 93 min.), by Oscar winner Barbara Kopple, Cinematography Gary Griffin.

Dreams never expire but sometimes they are deferred. Follow the talented and gregarious soul singer of the Grammy nominated R&B band "Sharon Jones and the Dap Kings" through her career and her struggle with pancreatic cancer. This intimate film uncovers the spirit of a powerful, determined woman and her 50 year up and down singing career.

SATURDAY, JUNE 10

THE BENNY GOODMAN STORY (1956, USA, drama, 116 min.), by Valentine Davies, starring Steve Allen, Donna Reed, Berta Gersten, Herbert Anderson, Robert F. Simon, and Dick Winslow.

This classic bio-pic is based on the life of famed clarinetist Benny Goodman, who recorded most of the clarinet solos used in the film. The film traces his musical career and includes jazz greats Gene Krupa, Teddy Wilson, and Lionel Hampton.
